

## **EcoIntense opens new office in Austria**

### **Software provider from Berlin continues to grow in the DACH region**

Berlin, June 1, 2016 – The software company EcoIntense opens its first office in Austria. As of now all domestic sales activities will be managed from the modern technology center in Linz-Winterhafen. The reason for the continuing expansion is the ongoing demand for EcoWebDesk, the online software for health, safety and environmental management. With the new office EcoIntense can provide even better service for the Austrian market.

*EcoWebDesk is a comprehensive and integrated off-the-shelf software solution for occupational health, safety and environmental (HSE) management as well as sustainability management. In EcoWebDesk, key indicators and business goals can be aligned with operational requirements, environmental protection regulations, legal norms as well as workplace safety requirements and risk management. The software is suitable for management systems according to ISO 14001, ISO 50001 and OHSAS 18001 as confirmed by DEKRA Assurance Services. **EcoIntense GmbH** is certified according to DIN EN ISO 9001. The company is headquartered in Berlin, Germany. Further offices are located in Lower Saxony and Bavaria (Germany), Linz (Austria) and Houston, Texas (USA).*
